

The *Falcon* Quarterly

July 1994

THE FALCON CLUB OF AMERICA, INC. is a nonprofit organization dedicated to preserving the FALCON automobile built by the Ford Motor Company from 1960 to 1970. Roy E. Sword (501/982-4240) founded the worldwide club in 1979. It is incorporated under the laws of the State of Arkansas. Yearly dues to The Falcon Club of America are \$20.00 (\$25.00, payable in U.S. funds, outside the United States) and are payable to: The Falcon Club of America, P.O. Box 113, Jacksonville, AR 72078-0113.

THE FALCON QUARTERLY BULLETIN is published quarterly with information from its members. All copy for The Falcon Quarterly should be sent to the editor, Kathy Lerner, 2721 Gilboa Ave., Zion, IL 60099-2421. Copy must be received by the first of the month preceding date of issue.

President's Message

July is here and we're only a few weeks away from our 1994 National Meet in Valley Forge, PA. The Keystone Chapter has been working hard for the last couple of years to make this a great event. Please try to attend and see how wonderful a National Meet can be. The Keystone Chapter has set up some tours so we can see that part of the country. If you'd like to go on one of the tours, you should get your reservations sent to them soon.

I've had a couple of calls about our 1993 National booklet. It seems we've made some mistakes on names, model of car, or award placing. I'm very sorry. You deserve the credit that you should get. Sorry, we're human and do make mistakes.

If you have some positive thoughts to help the FCA, please contact your Regional Director so those thoughts can be brought to the national board meeting and the national general meeting on Saturday afternoon of the National Meet. This is *your club*, and we want to know what you want out of it. Election of officers and one board member will be held at this meeting.

This year has flown by, and I believe it has been a very good year. I would like to thank the Officers, Board Members and all who helped through the year to make it a success. The FCA is great because of *you*, the general membership.

Hope to see all of you in Valley Forge.

Jim Hatcher
FCA President

Tech Tip

If your early Falcon with straight three-speed has an undetectable drone at about 50mph, check to see if your car has the direct rubber transmission mount or the offset leafspring style. After replacing numerous parts on my car (so many that I'd rather not talk about them!), I discovered the offset leafspring mount by accident at a local junkyard. I installed the mount, and it worked great.

Scot Thayer

Vice President's Message

I hope everyone has received their '93 convention booklet by now! Kathy did a super job of putting it all together as usual. You can blame me for the few errors and missing pictures; I am really sorry. Its completion marked the end of '93 business and a chance to look forward to this month's National in PA.

On second thought, we owe a debt of gratitude to an exceptional group of people that more than helped to make it all happen. Without being behind the financial scene of a national convention, it is probably difficult to understand and appreciate the role of "our" Falcon parts vendors and manufacturers. To say it as simply as possible: "It just could not happen without them" Period! They not only help us with financial support, they also play a major role in the value of your car by making new parts available. Give that a little thought, and I'm sure you will appreciate them for their investment in "us."

On behalf of the FCA, I would like to say thanks to our friends who made the '93 convention a success and even welcome two new manufacturers for '94. Give them a thank you call.

Thanks from all of us to: *Dennis Carpenter, Michael and Charley Jones, Melvin and Vicky Miller, Ray Carraher, David Gunnells, Jake Legaspi and Dan Weigel, Ford and Ford Motorsports.*

We would also like to welcome Dearborn Classics and Red's Headers to the Falcon Family. Both companies are owned by FCA members. Dearborn is a manufacturing facility and can reproduce just about anything. Red's produces headers specifically for Falcons and will guarantee your satisfaction. Can't beat a deal like that!

Need to get this thing in the mail before Kathy wrings my neck.

Love Ya All,
Marty

Letters to the Editor

About the Cover Illustration

Dear Kathy,

Enclosed please find a news clipping of a drawing done by my son, Matt, who is a member of the Falcon Club of America. The drawing, a 1965 Falcon, is the first drawing from Mt. Carmel Area School District to make it to the state finals in Harrisburg, PA.

My wife and I are very proud of Matt. He's 17 and a senior. He's also a Ford Fanatic, especially the S/S and A/FX era.

If you could use this drawing any way possible in the Bulletin, it would be greatly appreciated.

Thank you.

Sincerely,
Dennis F. Scicchitano
Locust Gap, PA

Editor's Note: The drawing done by Matt is good enough for this month's cover illustration in my opinion. (I'm sure his dad won't have any objections.) I hope all of you enjoy it as much as I did. Great job, Matt!

Technical Help Needed

I am considering installing a 200 c.i. cylinder head on a 144 c.i. block. I know it will bolt on, but is there any problem with compression ration or valve clearance? Should I use the 200 c.i. valve train or the 144 c.i. one. Any information will be greatly appreciated.

Contact Joseph Tatti, 2140 Falmouth Terrace, Burlington, Ontario, Canada L7P 1X9 — 905/335-2834.

You're All Invited

As you read this message, the Fifteenth Annual National Falcon Convention is just a few days away. Our planning committee has finalized the show classes. We have made the Daily Driver a category with subordinate classes, so it is now similar in structure to the Stock and Modified classes. The list of classes appears in this *Bulletin*.

Even though pre-registrations have been arriving steadily, due to the lead time required for trophy production the finalized classes had to be determined at the end of May. With this finalized list of classes many had fewer than four cars at the time the determination was made. Since there are four trophies in each class, we hope that the classes will build so that all trophies can be awarded. As this message is written, there were no cars in the Stock Extra Duty Wagon class or the Modified Competition class. The Keystone Chapter reserves the right to combine or eliminate classes, if necessary. Bring your Falcon to the National — there is room left in all classes.

Show participants will receive ballots for all categories and classes. The ballots will be color coded to match the window cards. Vote for one car in each class. Voting begins at 10:00 a.m. on Saturday, at which time the ballots will be handed out at the tent in the show field. Bring your ballot coupon found in your registration packet with you at that time.

The Stouffer Hotel is undergoing a complete renovation, so everything will be new when we arrive. The name of the hotel will be changed to Park Ridge at Valley Forge. Since this name is new, most everyone in the area will be referring to the hotel as the Stouffer. Your guess is as good as ours as to which name will be on the building, but the Falcons in the parking lot will be a good landmark to watch for.

Confirmations for all pre-registrations have been mailed, along with an information leaflet. The mailings took place a little later than we had originally planned, but allowed time for any problems to be corrected by phone or letter.

Have a safe trip to Valley Forge, and the Keystone Chapter looks forward to welcoming you on the 21st.

Ed Snyder, President
Keystone Chapter

15th Annual National Falcon Convention

Stock Classes

1960-1963 Sedan	1964 Sprint Hardtop
1964-1965 Sedan	1965 Convertible

Chapter News

The *Northeast Chapter* has formed its Regional Meet Committee. Plans are underway to make this, the first of its kind in New England, a resounding success. Anyone wishing to help can call Ray Chevalier at 401/934-2105.

At the May meeting of the *Mid America Chapter*, held at the Western Sizzlin' in Grandview, MO, there were 21 present with three Falcons driven to the meeting. Officers elected for 1994-1995 were Rick Dilks, President; David Kile, Vice President; Barry Fischer, Secretary; Phil Warren, Treasurer. Bob Meglemre, Leon Grantham, Wayne Johnston and Kevin Barnes were elected to the Board. Rob and Jennie Nichols, Falcon enthusiasts and honorary members of our chapter from Australia, will be visiting Phil and Judy Warren in July. They will be attending a cookout with our chapter and the Nationals in Valley Forge.

The *Mile Hi Chapter* has been quite active the past few months — a dessert night with 41 members attending driving 22 Falcons, a mini car show at a nursing home to accompany an "Old Timer's Day" celebration, the Southwest Plaza Mall car show, and a wildlife tour at the Rocky Mountain Arsenal with 45 members driving nine Falcons. A full Falcon month!

The Fourth Regional Show of the *Suncoast Chapter* was truly successful. There were 44 Falcons, 74 registrations and 62 at the Awards and Recognition Banquet. A good many visitors came to look, thanks to the media support in promoting the event in the Greater Orlando area, which encompasses the middle of Florida. In a nutshell, it was a brilliant Falcon demonstration of true nostalgia for the '60s!

Dale Horn Ford in Malvern, AR, and the *Founder's Chapter* were hosts to the 5th annual car show. There were 127 cars registered, 12 of them Falcons. At the meeting held at Mills Park in Bryant, AR, there were 27 present with five Falcons driven to the potluck dinner.

The *River City Chapter* recently attended an All Fords Picnic in Lodi, CA, with approximately ten members driving five Falcons. Lots of fun games, a great raffle and loads of car talk! Fourteen members also attended the Sacramento River cruise complete with bees, a ferry ride, "killer" dogs, a trip to the railroad museum, and a ride on a restored trolley.

Approximately 12 members were present at the latest *Carolina's Chapter* meeting. The main topic of discussion was the All Falcon Show at Town and Country Ford. Several members also attended the Florida Regional and came home with trophies. All reported having a very good time at a great show.

The *Heart of Texas Chapter* held a meeting at the Sonic Drive-In and displayed five vehicles. A few chapter members also attended the annual PFCA show at Ted Arendale's, coming home with three awards.

In the Spotlight

1965 Falcon Sedan Delivery

Joe and Betty Peppers are the owners of a 1965 Sedan Delivery. The Falcon was purchased by Ceil Barnes from a salvage yard and originally had a six-cylinder engine and a three-speed transmission.

Joe purchased the Falcon from Ceil in 1982, changed over the engine to a V8, and converted it to an automatic transmission. He also added air conditioning and style steel wheels. For a couple of years he drove it gold and black, then changed to gray and black.

In 1987 Joe restored the Sedan Delivery, removing about five coats of paint, including the original turquoise, and painting the exterior Springtime Yellow; he restored the interior in black.

The Peppers joined the Falcon Club of America in 1981 and have been members of the Southeast Chapter since the day it was started. They have always done more than their share for the club, and worked hard helping to make our two regional meets and our national convention great successes. They have a room full of trophies, including first place trophies from five FCA National Conventions.

Joe and Betty attended their first National Convention in 1984, and have attended every one since except the one in 1986 in Appleton, WI. They have attended many regional shows.

The Peppers cherish the many friends they have made in the Falcon Club of America, and say "thanks" to the FCA family.

Mason Dixon Chapter's Annual Smith Ford Show

The Mason Dixon Chapter met at Smith Ford in Denton, MD, on May 21. What a perfect day we had! Sunny with a slight breeze, many spectators, 23 members and guests, plus the local radio station was giving away money! They had drawings every 30 minutes for a 15-second money grabbing spree in a telephone booth type of thing with loose bills and a power fan to flow it around. Three members, Libby Wilson, Anita Palmer and Phil Barber, all had their chance. The average amount grabbed was \$30. Mr. Smith gave out attendance prizes, hot dogs and sodas.

A lot of catching up on our winter projects and accomplishments to the cars was done. We all had a great time.

Thank you, Bob Gerke, for coordinating this great show; and a hearty Thank You to Mr. Smith and all his staff for having us again. We always look forward to this first big event.

National Policy Reminder

Noting activities of new and established chapters generating logos, tee-shirts, badges, banners, license plates, etc. — a review of FCA policy concerning these items of chapter identification is as follows:

F.C.A. Rules for "FORMATION OF CHAPTERS" in Section A (Formation), Item 2: "A charter chapter shall use only the name designated in its charter. The name of the new chapter shall be listed as : The _____ Chapter of the Falcon Club of America."

Please do not overlook this policy when generating your artwork to identify your chapter. Questions should be addressed to FCA Officers or Directors.
